

PROPOSAL
For The Re-Inhabited Republic For Florida
Electronic Voting Methods (Interim)

TO: Honorable MICHAEL BISHOP, Governor, Florida

State Officers: **Clyde Cleveland, Jim Costa, Robert Elling, Beverly Killmore,
Kristy Lefferts, Craig Pearson, Susan Price.**

From: Jim Costa

Date: Oct. 22, 2024

The Problem:

During the Interim period, how can Florida electronically vote in their State House,
In their State Senate and hold open voting in their First Senate Election of interim officers?

Facts & Assumptions:

- A) Perhaps the simplest method will be to mail out official ballots using a registered (or third party) email service.
- B) For certification purposes, have several parties receiving the return of those ballots for separate counting and certification.
- C) The following day after the voting deadline, publish those ballot totals.
When possible, show actual individual voting for the House and Senate.
- D) [Gmail Online Polls & Surveys](#)

Easy and free online polls and surveys directly from your Gmail [Download](#)
Most Email Platforms have add-ons for this.
You can even have the results dropped into a spreadsheet automatically
and sent to the voters as new votes come in.

Get free add-on for Bulk mailing:

For Windows Users:- [Bulk Email Add-On](#)

For Linux or Ubuntu Users: [Add On for Thunderbird Mail](#)

For both get a second email address and use it for bulk emails going out.

This way if you exceed your daily limit you can use your main account the rest of the day.

The Plan:

- 1) Design Official Ballots. To be approved by the Secretary of State
and appropriate House or Senate Leader.

See: Page 3 **Emailed Ballot**

2) Decide the cut-off dates and source of the members email listing to be used.
This will be decided by the Secretary of State and the appropriate Ranking House or Senate Leader.

3) **First Open State Senate Election:** Emails sent out by Secretary of State, using a per-decided dated National or State membership email list.

The ballot will be returned to the ranking Senate Leader and the Secretary of State for Joint certification.

The Ranking Senate Leader will publish a list of how each Senate member voted.

2) **House Internal Voting:**

Emails sent out by ranking House Leader, using a per-decided dated State House membership email list.

The ballot will be returned to the ranking House Leader and the Secretary of State for Joint certification.

The Ranking House Leader will publish a list of how each House member voted.

5) **Senate Internal Voting:**

Emails sent out by ranking Senate Leader, using a per-decided dated Senate membership email list.

The ballot will be returned to the ranking Senate Leader and the Secretary of State for joint certification.

The Ranking Senate Leader will publish a list of how each Senate member voted.

6) **Formal Ratification:** At a later date after more many more members are added to the House and Senate, these votes can formally ratified to insure lawfulness of emergency actions taken in earlier voting.

Costs Zero

Pros:

Gets the voting accomplished quickly and simply.

Cons:

Action Requested From House and Senate.

- 1) Approve or disapprove.
- 2) Cause it to happen.
